**Special Sundays:** *On Special Sundays, grades 1-8 attend a special activity rather than their usual classes. These activities are often scheduled for long holiday weekends. The nursery is open, and the Early Preschool (2s&3s) and Kindergartners (4s&5s) meet in their regular classrooms unless otherwise noted.*

**Children's Worship:** *Children's Worship is scheduled for the first Sunday each month, unless otherwise noted. On these days, children meet in their classrooms (unless otherwise noted), and then go with their teachers to a gathering of all classes in grades 1-8. At Children's Worship, children have an opportunity to experience the rituals of a group worship service.*
